The Edge of Death: (Sequel to ADRENALINE) Kindle Edition

It's somewhat of a departure from Dr. Benedict's other books but still set in a hospital and offers the reader insights into his vast medical experience. Think of Robin Cook, Dean Koontz, and Stephen King, mixed with John Benedict and his incredible writing style and you have The Edge of Death. His writing is brilliant and his plots are masterful.

The Edge of Death by John Benedict is the sequel to his first novel, Adrenaline, but it can be read as a standalone. This is the first book I've read by this author and I found it difficult to put down. The story is excellently written, with lots of action and a moments of edge of your seat suspense.
