The Emerson 1000 watt microwave is one of the best microwaves around. I truly love all the great features it has. Let's start with some of the really great things that it does, it has six pre-programmed settings. The first one is baked potato, popcorn, pizza, beverage, frozen dinner, reheat. Now these six are located at the top of the front panel. Then you have the option to cook by weight, or defrost by ...
