will indicate which setting is currently being used. • Cooling Mode The unit works as an air conditioner. Adjust fan speed and air temperature to suit your desired comfort level.

Honeywell MN12CES / MN10CESWW Manual | Manuals+

Enjoy the convenience of the front-facing, feather-touch control panel that is unique to the Honeywell Classic Series. Quieter than the average window AC, the Classic series creates between 51 and 54 decibels of sound (depending on the BTU and fan speed), which is about the sound level of an average conversation between two people in a quiet room.
