The HDS 1200 is an electric hot water pressure washer for installation in a closed system, and works with pressurized hot or cold water and superheated steam. In addition, an optional dosing system enables the unit to spray aqueous decontamination and cleaning agents for the main and post-treatment of surfaces such as vehicles and buildings.

HDS 1200 - kärcher-futuretech.com

Our operating instructions provide information on use, safety, initial start-up, technical data, accessories and disposal information. Several languages are often covered by one operating manual. Synonyms for operating instructions, like user manual, operating manual and user handbook, are also used.
