Math Maze:Addition Worksheets Just click on one of the pictures below to download your maze then print it out. Each maze has a short story on it (help A get to B) with instructions on how to complete the maze. For example, in the first maze your child needs to circle all of the odd numbered answers to create a path.

Math Maze:Addition Worksheets

Multi-Operation Math Maze. In this maze, the path from the entrance to the exit is hidden by math problems. Answer all of the problems correctly, and you find the correct path to the finish. Make a mistake, and you will be led in the wrong direction. Worse, taking a wrong turn could reveal a path of correct answers that eventually dead-ends.
