The Historical Guide to New South Wales is a unique reference work. Never before has there been an attempt to succinctly record the location, history, industries, buildings, calamities and the population of over 9,700 cities, towns, villages, hamlets and localities (outside Sydney), whether extant or defunct. Neither has a record ever been made of the numerous surveyors who laid out our towns and the architects, engineers and builders who designed and built their most important structures.

The most heavily populated part of Wales, and by far the most anglicized, is the south. This is a region of distinct character, whether in the resurgent seaport cities of Cardiff and Swansea, the mining-scarred Valleys or the dramatically beautiful Glamorgan and Pembrokeshire coasts. Monmouthshire, Wales's easternmost county, abuts the English border and contains the bucolic charms of the ...
